The Prophetic Imagination Walter Brueggemann,2018-08-01 A classic text in biblical theology still relevant for today and tomorrow In this 40th anniversary edition of the classic text from one of the most influential biblical scholars of our time Walter Brueggemann offers a theological and ethical reading of the Hebrew Bible He finds there a vision for the community of God whose words and practices of lament protest and complain give rise to an alternative social order that opposes the totalism of the day Brueggemann traces the lines from the radical vision of Moses to the solidification of royal power in Solomon to the prophetic critique of that power with a new vision of freedom in the prophets Linking Exodus to Kings to Jeremiah to Jesus he argues that the prophetic vision not only embraces the pain of the people but creates an energy and amazement based on the new thing that God is doing This edition builds off the revised and updated 2001 edition and includes a new afterword by Brueggemann and a new foreword by Davis Hankins 28 Fundamental Beliefs Simply Put Loron Wade,2009 Simon s blessing When the bell rings it s for you You can t get there from here When He comes He takes over Return to reason Who are you Can you explain the Holocaust Whatever it takes Beyond the beginning Crossing the line Finding the remnant Getting along Peace child In my Father s arms You too are gifted A hand reaching out Knowing the right answer isn t enough Finding peace and lasting happiness Who is on your list Get off the column A good marriage King of the mountain Jonah s mistake The beginning of life eternal To know the truth Eternity will not be long enough **Journal of Latin American Theology, Volume 18, Number 2** Lindy Scott,2024-01-30 This issue of the Journal of Latin American Theology features articles with pastoral perspectives for postpandemic times as well as reflection on justice and theological education Edesio Sanchez Cetina addresses the difference between how disease is dealt with in the Bible and modern understandings of illness and healing Fabio Salguero Fagoaga wrestles with COVID related suffering in light of Christian hope in the resurrection Mary Luz Reyes Bejarano proposes an interdisciplinary model of pastoral care that puts victimology in dialogue with psychology and theology She does this within the framework of a regional program in Colombia for women

Christ-Centered Leadership David L. McKenna,2013-05-09 If a leader is a Christian what difference does it make Giant strides have been made in secular leadership theory toward a Christian viewpoint Priority is now given to character as well as competence accountability as well as power transformation as well as transaction and servanthood as well as success But these qualities apply to secular as well as to Christian leadership So the question remains What difference does it make David McKenna finds the answer in the Incarnation of Jesus

Christ a divine act for him and a defining attitude for us Philippians 2 11 15 sets the standard and gives the details Your attitude should be the same as Jesus Christ means following his call to the cross where we die to self and sacrifice all self interest in position power and prestige in order to serve obediently faithfully and humbly for the good of others and the glory of God Christ centered leadership is not an extension of the highest and best of human leadership Radical obedience to the call of Christ and utter dependence upon the Holy Spirit make a substantive difference In the most practical terms Incarnation continues in us when we live fully lead freely and go where he wants us to go [The Healthy Churches' Handbook](#) Robert Warren,2014-12-09 A practical guide that helps churches identify their strengths and weaknesses and discover what action to take in order to develop the health of their church It focuses on the quality of the church s life rather than just the numbers attending **The Ten Commandments and the Beatitudes** Yiu Sing Lúcas Chan,2012 The Ten Commandments and the Beatitudes are often considered significant texts for the Christian moral life However most interpretations of these passages either focus on the original meaning of the text or how the texts should impact ordinary living today In *The Ten Commandments and the Beatitudes* Yiu Sing L c s Chan brings together biblical studies and Christian ethics to look at these foundational texts in a new way For each passage Chan asks both what the texts meant and what they mean today He helps readers to carefully study the text s original meaning then interpret the text within a sound ethical framework *The Ten Commandments and the Beatitudes* is an excellent introduction to key concepts in biblical studies and Christian ethics that combines sound study with warmth and wisdom **Mary According to Women** Carol Frances Jegen,1985 *Mary According to Women* presents a contemporary study of the woman of Nazareth who changes the course of human history The seven chapters develop familiar titles of Mary in the context of the Vatican II Church particularly its emphasis of justice and peace Following the lead of the second Vatican Council in its historic document *Lumen Gentium* the book develops implications of the Council s treatment of Mary in the mystery of Christ and the Church of one who is truly involved in the lives and struggles of Christians today Significantly the book is written by women whose experience and insight give new perspective to a revitalized appreciation and love of Mary
